

Research and Development Cell (RDC)

Munger University, Munger

Convenor, RDC
Prof. (Dr.) Maheshwar Mishra

Hon'ble Vice Chancellor
Prof. (Dr.) Sanjoy Kumar

Vision

- To get an access to excellence through promotion of innovation, creativity and exploration in Research

Mission

- To facilitate and enhance partnership and collaborations between stakeholders i.e. Universities, Researchers, Government, Industries and MNC'S at Local, National and International level.
- To facilitate researchers of the University for carrying out research projects, consultancy works, patents and technology transfers etc.
- To provide basic infrastructure and training programmes to give impetus to creativity, entrepreneurship and promotion of quality research.
- To create a conducive environment for enhanced research productivity.
- To emphasize on the formulation of policies and programmes to develop a culture of innovation and research, promoting multidisciplinary and holistic education aligning with the provision of NEP 2020 while ensuring ethical compliance.
- To foster an atmosphere of giving space for diversity, originality and inclusiveness in the pursuit of achieving excellence in the domain of research
- To prepare rules for consultancy and guidelines as laid down by the UGC, ICSSR and other HEIs.
